

## EXTENSIONS OF REMARKS

### HONORING THE LIFE OF MICHAEL JOSEPH CAVALLERO

#### HON. JIM COSTA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, November 30, 2021*

Mr. COSTA. Madam Speaker, I rise today to honor the life of Michael Cavallero. Michael passed away to be with the Lord on November 2, 2021. He was a protector, family man, and helped so many in the community.

Michael was an officer for the Fresno Police Department (FPD) for 32 years. He has served on the Fresno Police Credit Union Board of Directors. Michael wanted what was best for his officers and worked hard to do what was best for them, even after his retirement. Michael has helped with the Peace Officers Research Association of California (PORAC) for region II, and Fresno Police Officers Association (FPOA). Always involved, Michael always wanted to be helpful the best way possible.

During his spare time, Michael enjoyed watching football; specifically his favorite team the San Francisco 49ers. For baseball, he enjoyed the San Francisco Giants and the Fresno Grizzlies. He loved being with his wife, Marsha, his siblings, and his two rescued cats from the Cat House, Max and Ruby.

Michael is survived by his loving wife, Marsha; siblings Libby, Steve, Jim, Joan, and Tim; and many nieces and nephews.

Madam Speaker, I ask my colleagues to join me in honoring the life of Michael Joseph Cavallero. His service and contributions to the State of California and the San Joaquin Valley will always be celebrated.

### HONORING DEACONESS EASTER MAE GREEN

#### HON. BARBARA LEE

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, November 30, 2021*

Ms. LEE of California. Madam Speaker, I rise today to honor the life of Deaconess Easter Mae Green and her decades of service in our Bay Area community.

Deaconess Green was born in Waterproof, Louisiana on October 17, 1926. She was one of many African Americans to migrate West from the Jim Crow South, hoping to find a better life for her family. She arrived in the Bay Area in 1952 and began working in Oakland's manufacturing industry, eventually gaining the ability to move her brothers and her mother to California.

Deaconess Green understood the importance of establishing financial stability as a single mother, and thus became an entrepreneur in the Oakland community. She opened Easter's Beauty Salon in East Oakland, which operated for more than 30 years. The salon provided many services to the com-

munity and became a strong pathway of entrepreneurship for other female cosmetologists in the Oakland area.

Deaconess Green's good works in the community were truly remarkable. In addition to raising four biological children, she provided a safe and secure home to more than 158 foster children. She became a mentor for other young and single mothers and helped raise scholarship funds for students. Her service was recognized by Alameda County, and she would later publish her reflections in "The Value of Motherhood" in the Woman of Color Study Bible in 1999.

Deaconess Green was strongly devoted to faith as a 38-year member of the Allen Temple Baptist Church, where her daughter, Rev. Dr. Jacqueline A. Thompson, now serves as senior pastor. She later became a Deaconess to provide physical and spiritual support to anyone in need.

She lived her life as a reflection of her values—equal opportunity for women, care for children, and protection of the most vulnerable around us. She will be missed.

My deepest condolences and prayers go to her family friends and loved ones, and my great respect and sympathies go to my dear friend and pastor, Reverend Thompson, who was a supportive and loving caregiver of her mother until the very end.

Today, on behalf of California's 13th Congressional District, I commend Deaconess Green for her lifelong work as an entrepreneur, a mentor, and spiritual leader. As she returns to her maker, may this beautiful woman of God, Deaconess Easter Mae Green, rest in peace and power.

DOMINIC C. JONES

#### HON. JEFFERSON VAN DREW

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, November 30, 2021*

Mr. VAN DREW. Madam Speaker, this month, I had the pleasure of presenting Dominic Jones with his Eagle Scout Court of Honor. Dominic joined the cub scouts Pack 10 at South Vineland Methodist Church at the age of 6. In the Pack 10, he earned the cub scouts highest honor, the Arrow of Light. Dominic, with his friend Tyler, then became the founding member of Troop 2. He served as Quartermaster for Troop 2 for three years and became a Vigil member of the Order of the Arrow. In October of 2019, Dominic earned scouting's highest rank, the Eagle Scout. For his Eagle project, he built raised garden beds for the residents of Baker Place Senior living. Dominic obtained all the materials for the garden beds through donations and worked with volunteers to construct the beds. This young man should be very proud of his accomplishments. It was my honor to have had the opportunity to recognize him for his service to the South Jersey community. God Bless Dominic and God Bless America.

### IN RECOGNITION OF ROSALIND JACKSON AND HER SERVICE TO THE HOUSE JUDICIARY COMMITTEE

#### HON. JERROLD NADLER

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, November 30, 2021*

Mr. NADLER. Madam Speaker, I rise—along with HANK JOHNSON, Chair of the Subcommittee on Courts, Intellectual Property, and the Internet—to thank Rosalind Jackson for her decades of service to the Committee on the Judiciary. The House of Representatives has been fortunate to benefit from Rosalind's service during two separate stints.

When the public watches a congressional hearing or markup, they often do not know all of the work that goes into making those events come to fruition. For our Committee, we have been fortunate to have Rosalind working behind the scenes to ensure they go smoothly. From sending out notices and witness invites to compiling witness bios, working the timer, and getting committee reports and transcripts printed, Rosalind has played a key role from start to finish on more than a hundred hearings and markups during her time here. She has also performed an invaluable service in helping the Committee to save and archive its records each Congress.

While Rosalind has supported numerous Subcommittees, as well as the full Committee, over the years, she has worked especially closely with the Subcommittee on Courts, Intellectual Property, and the Internet. In this role, she played a critical role in supporting the Subcommittee staff as they worked on complex legislation, such as, among other things, the Digital Millennium Copyright Act, the PRO-IP Act, the Innovation Act and the America Invents Act—indeed every major copyright and patent law enacted over the last 15 years and earlier. Her active involvement has continued through the Committee's consideration several months ago of the SHOP SAFE Act as well.

Rosalind's dedication to public service, institutional memory, and work ethic have been a tremendous gift to the Committee over the years. Her warmth and kindness have not only served her well in developing good relationships across the Capitol but have created a welcoming environment for every staff member, Member of Congress, witness, intern, and visitor who has had the benefit of interacting with her.

Rosalind is a team player who is always willing to help out however is needed. We will miss her deeply on the Committee, but we are excited for her as she enjoys retirement after a career in public service. Our country is fortunate to have had Rosalind working in Congress these past decades.

We thank Rosalind for her service to the Committee and wish her the best of luck with this new chapter.

HONORING THE LIFE OF PETER  
ARAM KEZIRIAN

**HON. JIM COSTA**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, November 30, 2021*

Mr. COSTA. Madam Speaker, I rise today to celebrate Mr. Peter Aram Kezirian, who passed away at the age of 67. Although he will be remembered for his service in the military and his contributions to the community of Fresno, California, he will mostly be remembered for his devotion to his family and friends, who he was always there for, whenever they needed him.

Peter graduated from Central High School and earned a bachelor's degree from California State University, Fresno. He was a hard worker and spent his entire life working for the Kezirian family businesses. First, he worked at Rolinda Farmers Store until 1997, when the store closed; and then he worked at managing the family farm.

Peter dedicated 30 years of his life serving with the 144th Fighter Wing of the California Air National Guard. Achieving the rank of Master Sergeant, he retired with an honorable discharge in 2003. When he was not serving in the military, he continued his work with the family businesses, and loved watching his favorite sports teams play. He loved the San Francisco Giants and was a true fan of the Chicago Bears. When it came to NASCAR, he was a grand prix enthusiast.

Peter is survived by his mother Alice Kezirian; brothers Vaughn Kezirian (Ann) and Robert Kezirian, sisters Terry Kezirian, Paula Cunningham (Brian), and Janice Kezirian (Dalton Bennett). He leaves behind his many nieces and nephews, family members and dear friends.

Madam Speaker, I ask my colleagues to join me in honoring the life and achievements of my friend, Peter Aram Kezirian. He was a respected member in the community, a loving son and brother and a veteran, who had a passion for life and the people of the Central Valley.

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, November 30, 2021*

Ms. LEE of California. Madam Speaker, I rise today to celebrate the 70th anniversary of the East Bay Area Section of the National Council of Negro Women. The National Council of Negro Women is a non-profit organization with the mission to "lead, advocate for, and empower women of African descent, their families and communities." NCNW was founded in 1935 by the influential educator and activist Dr. Mary McLeod Bethune and the iconic Dr. Dorothy Height served as president of the organization for more than fifty years. For seventy years, the East Bay Section of NCNW has followed in the footsteps of the organization's founder and its longtime president by serving as a pillar of the Bay Area community.

The strength of the East Bay Section lies in its exceptional members. Led by President Carlene Gray, the members of this Section are leaders in their industries and in their community. Some are students, others are educators, business owners, healthcare professionals, civil servants, and others have retired. What they all have in common is their commitment to improving their community and empowering its people. They believe they are their sister's keeper. They encourage African American women and their families to serve as ambassadors in the community and contribute to its success.

The East Bay Section continues to strengthen the community through innovative social, civic, and economic programs. These programs have supported so many members of the community including women, children, seniors, and veterans. They have also provided donations to the Alameda County Food Bank, donated hygiene supplies to women in need, purchased school supplies and hosted public forums on education. They have led innovative programs to support survivors of sexual assault, domestic abuse, and sex trafficking. Its members serve as passionate community advocates and share a commitment to improving the lives of African American women, their families, and the community. In the face of great challenges, the women of the East Bay Section of the National Council of Negro Women continue to rise to the occasion and improve countless lives through their tireless work. Their leadership and vision is needed now more than ever. May the East Bay Section's impact continue to be felt across the community for many years to come. Congratulations on seventy years of impact and service.

JON PAWLOW RETIREMENT  
TRIBUTE

**HON. SAM GRAVES**

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, November 30, 2021*

Mr. GRAVES of Missouri. Madam Speaker, I want to pay tribute to Jonathan R. "Jon" Pawlow, our longtime Water Resources and Environment Subcommittee Senior Counsel. After 20 years of service on the Committee, Jon will be retiring at the end of this year. It's difficult to picture the Transportation and Infrastructure Committee without Jon here. In fact, it's difficult to imagine the water policy sphere throughout the entire Congress without Jon here. For 20 years, Jon has been an absolute go-to for all things Clean Water Act. He has been an immense resource for not just the Committee, but for the entire Congress. He has left his mark upon the work product created under a legion of full and subcommittee chairmen and ranking members. However, even prior to joining the Committee, Jon was accomplished. He graduated Rutgers University with both a bachelor's and master's degrees in water resources engineering and en-

vironmental science, and also holds a law degree from Georgetown University. He accumulated over 15 years of private law practice, gaining expertise in the environmental and intellectual property fields. After that, Jon served in the Office of Water at the Environmental Protection Agency for nine years and then moved on to the Small Business Administration's Office of Advocacy. These experiences allowed him to bring a host of policy and regulatory experience to the Committee. Jon has left his fingerprints on just about every piece of water legislation in the past two decades. He has also been a key participant in five Water Resources Development Acts, including the last four, where Congress got its act together and began passing bipartisan WRDAs consistently every two years. Finally, throughout his professional life, Jon has been a teacher and a mentor. At various times in his career, he has instructed at institutions such as the George Washington University Center for Career Education and the Old Dominion University College of Engineering and Technology. This has carried over to his time on the Hill. He has always made time for anyone he meets to walk through the ins-and-outs of water policy, from Full Committee Chairs, to leadership staff, to personal office legislative assistants. Jon is a dedicated professional and devoted staffer, and we will all greatly miss his knowledge, expertise, and guidance. I am personally grateful for his service to this Committee and to Congress. I thank him so much for dedicating his career to water policy and service to the American public. I hope he and Terry make the most of their well-deserved retirements. I thank him for all he has done.

NAFTA DEVASTATION

**HON. MARCY KAPTUR**

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, November 30, 2021*

Ms. KAPTUR. Madam Speaker, today President Biden hosted Canadian Prime Minister Trudeau and Mexican President Lopez Obrador for the North American Leaders' Summit.

I urge them to address the continental challenges unleashed by NAFTA job losses in the U.S. and the rising illicit drug trade.

An often overlooked impact of NAFTA trade is the evisceration of Mexico's white corn market.

As Mexican farmers lost their livelihoods, many turned to planting poppy crops for income, which is now blended with Chinese fentanyl.

We know too NAFTA devastated our Industrial Heartland leading to massive job loss and a continuing surge of narcotics into the U.S.—killing nearly a million people.

I urge the President and continental leaders to not ignore the harms of NAFTA on American workers, Mexican farmers, and communities ravaged by job losses and the opioid epidemic.

Let us chart a new path forward for continental trade—but not based on penny wage labor. The Americas need fair trade.
